Department of Business Administration Pontificia Universidad Javeriana

The Department of Business Administration at Pontificia Universidad Javeriana invites applications for up to four Assistant or Associate Professor level positions. We are seeking candidates whose primary area of research is Marketing but candidates in other related areas will also be considered. We seek for the positions to start June 1, 2017, however the start date is negotiable.

The Department of Business Administration at Pontificia Universidad Javeriana is one of the most prestigious in the country, and our university is distinct in emphasizing top-quality teaching, research, and relevance to social issues. We have a very collaborative and international research environment. The scientific life within the faculty is rich and includes both internal and external seminars, as well as international conferences and workshops, in which international guests from top universities worldwide are invited. Faculty also have the freedom to develop or continue their own programs of research.

Areas of Expertise: Marketing Management, Macromarketing, Marketing Research

Title of the Position: Professor in Management at the rank of Assistant or Associate Professor. The rank is commensurate with experience.

Duties: Duties of a faculty member will include in varying proportions: a) teaching activities, b) research activities, c) academic service activities, and d) supervision of graduate and undergraduate students.

Terms: Tenure-track position.

Salary & Benefits Package: Salary will correspond with qualifications and experience and typically starts at COP\$119'596.036 per year, including social benefits and extra benefits for an Assistant Professor. The complete compensation package includes long-term disability, basic group health insurance, and a pension plan. We also provide generous incentives for publication as well as an attraction bonus (meeting certain requirements).

Our working conditions include a start-up period with a reduced teaching load, start-up funding for research, and the possibility to hire teaching and research assistants.

Location of Work: Pontificia Universidad Javeriana, Department of Business Administration, Cra. 7 No. 40B-36 Piso 4, Edificio Jorge Hoyos Vásquez, S.J., Bogotá, Colombia.

Application Deadline: Applications received prior to April 1st, 2017 will be given first consideration. Applications received after that date will be considered until the positions are filled.

Skills Requirements:

- **Education:** Ph.D. completed or near completion (achieved before arrival) // Marketing or related discipline
- **Language:** English (required); Spanish (preferable but not required)
- **Work experience:**
 - A high-potential program of research as demonstrated by articles published in good quality peer-reviewed journals;
 - Teaching competency in Marketing at the undergraduate, Masters, and/or Ph.D. levels. Preferable 1 year.
 - Applicants appointed at Associate Professor level are expected to be able to demonstrate a track record of success in attracting competitive research funding.

Applications must contain:

1. A letter of intent
2. CV
3. Sample publication / job market paper
4. A brief research statement
5. A brief statement of teaching philosophy
6. Copy of academic titles
7. Two letters of academic recommendation issued by someone familiar with the candidate's educational and research performance
8. Certificates of competence in the candidate's second language (English or Spanish) at the Associate Professor level

Send your application by email to:
